

Claudia Solito

Level 2 NCCP* – Instructor (Coach for intermediate/advanced players)

Claudia is very excited to be included in the training of members and loves Cochrane very much. Her coaching focus is technique so that we are using our bodies effectively which can reduce injury and help us to keep playing well into our senior years.

Claudia offers paid Clinics for groups of 8 (must be of similar skill/rating level) where she would charge \$65-80 an hour and the 8 players would divide the cost (80 divided by 8 = \$10 each or if there are only 4 players \$65.00 divided by 4 = \$16).
