

Peter Llewellyn

Level 2 ITPA & ITPA CRS-4 (Certified rating specialist)

I have been involved with sport throughout my life; first as an international swimmer then a high-level squash player. When my competitive days in both sports ended, I coached swimming to national level and taught and coached squash.

Recognizing that anyone can play pickleball, I've instructed people of all ages and abilities, but one of the most rewarding experiences, to date, has been teaching a group of Special Olympic athletes.

I am an ITPA CRS-4 (Certified rating specialist).

For the past 5 years I have served on the Calgary Pickleball Club board as Player Development Director.
